## Used Pallet safety # 10-23997

### Details

|             |                                     |
|-------------|-------------------------------------|
| Number      | 10-23997                            |
| Product     | Robopac                             |
| Model       | Genesis HS-T.I.                     |
| Performance | 80 pal/h with 20 windings (nominal) |
| Equipment   | Ring wrapper with 1 film spool      |
| Year        | 2005                                |
| Delivery    | promptly                            |

This machine was part of a PET line with a capacity of 30,000 bottles/h. It is a ring wrapper, made by Robopac from year 2005. The machine works with a film spool and wraps the full loaded pallets. Further information is available upon request.

|           |                                                                                                                                                                                                                               |
