## Used Bottle Washer # 20-23604

### Details

|             |                                        |
|-------------|----------------------------------------|
| Number      | 20-23604                               |
| Product     | ENOMECO                                |
| Model       | Sirio 7                                |
| Performance | 4.500 b/h                              |
| Equipment   | Glass bottles for juice (0,25l - 0,7l) |
| Year        | 1995                                   |
| Delivery    | July 2023                              |

This one-piece, single-end bottle washer made by ENOMECO was built in 1995 and has a output range of 3,000 - 10,000 bottles/h. It was used to clean juice bottles in sizes from 0.25l to 0.7l. The machine was heated with steam. We are at your disposal for more information.

|                 |                                                                                |
|-----------------|--------------------------------------------------------------------------------|
| Heatin          | Steam 0,5 bar                                                                  |
