## Used Decrater # 10-25166

### Details

|             |                                                |
|-------------|------------------------------------------------|
| Number      | 10-25166                                       |
| Product     | Krones                                         |
| Model       | Smartpac U 2200 T                              |
| Performance | 480 cy/min                                     |
| Equipment   | 5 heads – glass bottles in plastic crate (5x4) |
| Year        | 2011                                           |
| Delivery    | Jan 2027                                       |
| Direction   | short-side leading                             |

This fully automatic Depacker Smartpac U 2200 T is used to unpack returnable glass bottles from plastic crates. Its robust design ensures high operational reliability with extremely low wear. Our high efficiency depacker from year 2011 operates in cycles. The bottles are transferred from the crate onto a bottle discharge conveyor by means of 5 heads.

|                  |                                                                                                                                                                                                                                                                              |
